

## Wallpaper Trends Autumn 2012

The Telegraph Magazine's design editor David Nicholls selects the best new wallpapers of the season, while origami expert Mark Bolitho gets to grips with how to make them work in the home.

Geometric patterns are one of the key wallpaper trends this season. Photo: Full Stop Photograph

4:58PM BST 07 Sep 2012

To illustrate the latest wallpaper designs, the Telegraph worked with Mark Bolitho - chairman of the British Origami Society - to create a series of origami sets. Bolitho is one of the leading origami artists in the country and has produced a series of guides to the ancient craft along the theme of fashion, vehicles, space and of course furniture.
